Secure One Services Excellence Award Guide

The Secure One Services Excellence Awards are bestowed bi-annually to the Top performing partners in each region - Americas, APAC and EMEA. The Award recognizes the winning Partners ability to provide high levels of customer satisfaction; through retention of business and technical support capabilities in the Symantec focus areas over a 6 month period. (Apr - Sept & Oct - Mar).

The winners are provided with the Excellence Award badge to advertise their achievement to customers and are further recognized by Symantec by having the award displayed next to their company information listed on the Symantec Partner Locator. (<https://partnerlocator.symantec.com/>)
