

| Product   | Affected?           | Product Versions  | Product-specific Information |
|---|---------------------|---|------------------------------|
| Symantec NetBackup Appliance  | Affected            | 2.6<br>2.6.0.1  | <a href="#">TECH216555</a>   |
| Symantec NetBackup Appliance  | Affected            | 7.6<br>7.6.0.1  | <a href="#">TECH216555</a>   |
| Symantec Management Platform  | Partially affected  |   | <a href="#">TECH216635</a>   |
| IT Management Suite (ITMS)  | Partially affected  | 7.5   | <a href="#">TECH216635</a>   |
| Symantec Cluster Server (VCS)   | Partially Affected  | Symantec Cluster Server                                 | <a href="#">TECH216630</a>   |
| Application HA  | Under investigation | 6.1   | <a href="#">TECH216630</a>   |
| Critical System Protection (SCSP) / Security Data Center Server (SDCSS) | Partially affected  | 5.2 RU9 MP3<br>5.2 RU9 MP4<br>5.2 RU9 MP5               | <a href="#">TECH216543</a>   |
| Critical System Protection Center (SCSP) / Security Data Center Server  | Partially affected  | CSP Client Edition 6.0<br>DCSS 6.0<br>DCSS Advanced 6.0 | <a href="#">TECH216543</a>   |
| Norton Mobile Security  | Partially affected  | Android 4.1   |                              |
| Symantec Security Information Manager (SSIM)                            | Not affected        | 4.7.4, 4.8.x  | <a href="#">TECH216593</a>   |
| Symantec Backup Exec (BE)   | Not affected        | All   | <a href="#">TECH216626</a>   |
| Symantec Backup Exec.cloud  | Not affected        | All   |                              |
| Control Compliance Suite (CCS)  | Not affected        |   | <a href="#">TECH216618</a>   |
| Control Compliance Suite Content  | Not affected        |   | <a href="#">TECH216618</a>   |

|   |                 |                              |                               |
|---|-----------------|------------------------------|-------------------------------|
| Control Compliance Suite Vendor Risk Manager                      | Not affected    |                              | <a href="#">TECH216618</a>    |
| Control Compliance Suite Virtualization Security Manager(CCS VRM) | Not affected    |                              | <a href="#">TECH216618</a>    |
| Enterprise Security Manager                                       | Not affected    |                              | <a href="#">TECH216618</a>    |
| Symantec Risk Automation Suite                                    | Agents impacted | 4.0.7                        | <a href="#">TECH216618</a>    |
| Symantec Risk Automation Suite                                    | Agents impacted | 4.0.8                        | <a href="#">TECH216618</a>    |
| Data Insight  | Not affected    | 3.0.1<br>4.0                 |                               |
| Data Loss Prevention (DLP)  | Not affected    |                              | <a href="#">Article 56728</a> |
| DeepSight   | Not affected    |                              |                               |
| DeepSight Data feeds  | Not affected    |                              |                               |
| DeepSight Early Warning Services                                  | Not affected    |                              |                               |
| Disaster Recovery Advisor   | Not affected    |                              |                               |
| Dynamic Multi-Pathing for VMware                                  | Not affected    |                              |                               |
| Symantec Enterprise Vault (EV)                                    | Not affected    |                              | <a href="#">TECH216583</a>    |
| Symantec Enterprise Vault.cloud                                   | Not affected    |                              |                               |
| Symantec Endpoint Management                                      | Not affected    | Altiris Deployment Solutions |                               |
| Symantec Endpoint Management                                      | Not affected    | Ghost Solution Suite         |                               |
| Symantec NetBackup  | Not affected    | Prior to 7.6                 | <a href="#">TECH216555</a>    |

|  |                    |  |                                  |
|--|--------------------|--|----------------------------------|
| Symantec NetBackup Appliance   | Not affected       | Prior to 2.6   | <a href="#">TECH216555</a>       |
| Norton Security (Norton Antivirus/Norton Internet Security/Norton 360) | Partially affected | V21.x Norton Security Client for Windows<br>V6.x Norton Security Client for Mac OS | <a href="#">Doc ID v98431836</a> |
| Norton Hotspot Privacy   | Not affected       |  |                                  |
| Norton Identity Safe   | Not affected       |  | <a href="#">Doc ID v98522698</a> |
| Norton Licensing Server  | Not affected       |  |                                  |
| Norton Online Backup (NOBU)  | Not affected       |  |                                  |
| Norton Online Backup   | Not affected       | Norton 360   |                                  |
| Norton SafeSearch  | Not affected       |  |                                  |
| Norton Zone  | Not affected       | All  |                                  |
| PGP Command Line   | Not affected       | Does not use SSL   | <a href="#">TECH216640</a>       |
| PGP Desktop  | Not affected       | Does not use SSL   | <a href="#">TECH216640</a>       |
| Symantec Whole Disk Encryption   | Not affected       | Does not use SSL   | <a href="#">TECH216640</a>       |
| Symantec Drive Encryption  | Not affected       | Does not use SSL   | <a href="#">TECH216640</a>       |
| Symantec Encryption Desktop  | Not affected       |  | <a href="#">TECH216640</a>       |
| Symantec Encryption Management Server (SEMS)                           | Not affected       | All  | <a href="#">TECH216516</a>       |

|   |                    |   |  |
